Captain [] stated that WILLIAM BLOCK is a former member of the Purple Gang of Detroit, Michigan, and that he pals around with LEONARD PATRICK, whose Chicago Police Number is C-14777, Photograph No. 3812, and who is also a member of the Purple Gang of Detroit. BLOCK and PATRICK are also known to pal with DAVE YARAS whose Chicago Police Number is D-1 4360, Photograph No. 28098, and the arrest record shows that he was arrested in Chicago May 21, 1946. His age at that time was given as 32 years, height - 5 feet 8 1/2 inches, and weighing 160 pounds.

Captain [] feels that the identification made by the negroes should be given some consideration, and that because of the background, history, and the connection of BLOCK, PATRICK and YARAS, there is the possibility that these three men may be responsible for the shooting of JAMES M. RAGEN, SR. DAVE YARAS has previously been mentioned in the JAMES WEINBERG case investigation and is also known as a pal of PAUL LABRIOLA, a subject of the JAMES WEINBERG investigation.

Re Air-Tel to Director from SAC, Miami dated 2-28-62 re Proposed Meeting of Hoodlums, Miami, Florida.

Attached to this air-tel is a complete summarization of information emanating from MM 794-C& which was received on 2-11-62, and 2-12-62.

The bulk of the info pertains to a proposed killing in gangland style of one FRANK whose last name has not been identified by the individuals involved. His identity was subsequently ascertained through investigation by the Miami office as FRANK ESPOSITO from Chicago, Illinois, who is, at the present time, spending his winter vacation in Hollywood Beach, Florida. ESPOSITO is the head of the Municipal Employees Union in Chicago and has been considered through the years as a close associate of Chicago hoodlums. Thus far the reasons for the proposed killing of ESPOSITO are unknown. ESPOSITO has not been interviewed by FBI agents in Chicago relating to this association. The info relating to this proposed killing was disseminated to the Broward County Sheriff, ALAN MICHELL, in consonance with Bureau instructions. The Broward County Sheriff's Office immediately set up a discreet, fixed and moving surveillance in the vicinity of ESPOSITO's Hollywood Beach residence, which thus far has not detected activity on the part of CERONE, et al.

Those individuals who are involved in this proposed killing have been positively identified thus far as JACK CERONE, DAVE YARAS, JAMES "TURK" TORELO, and FRANK "SKIPPY" CERONE, cousin of JACK CERONE. As JACK CERONE indicates in the attached summarization, he was given the "contract" for this killing by SAMUEL M. GIANCANA, Chicago top hoodlum. From the context of the conversation it appears that one [] LNU is primarily responsible for the fulfillment of this contract. His identity thus far has not been ascertained. b6 b7C

Source advised on June 23, 1964, that NICHOLAS BRAVOS must have some connection with C and B Meats because CHARLES NICOLETTI, also with C and B Meats, during his soliciting of meat customers has been urging the taking of services from A-1 Industrial Laundry and in an opposite manner BRAVOS, while soliciting for A-1 Customers, plugs C and B Meats.

[REDACTED] a salesman for A-1, who formerly was a salesman for Supreme Laundry, is attempting to again change jobs and wants to work for Mickey's Linen Service. His reason for the change was given to Mickey's Linen as the fact that he does not like being threatened. He explained that he was told that if he left A-1 and went with another company and then stole stops from A-1, he would have his legs broken.

b6
b7C

Source advised on July 8, 1964, that A-1 now has taken over the stop at Diana Grocery in the 300 block of Halsted Street (could be North or South Halsted). Mickey's Linen had this stop for years, but a new owner named ZAPPAS used Mickey's Linen Service for awhile and then turned to A-1. Source advised he believes that [REDACTED] caused ZAPPAS to switch because he knows NICK and GEORGE BRAVOS.

b6
b7C

The BRAVOS brothers have a loan racket going in connection with their A-1 stops. The way it works is that a customer who wants to borrow money is loaned whatever amount he wants and pays interest at the rate of 10 per cent a week until it is paid off. The drivers for A-1 who collect for the normal A-1 laundry service collect the additional interest and whatever part of the principle that the customer wants to pay and it is all shown on the bill but as separate amounts.
